### EXPERIENCE

Jannie Strydom has experience in the Agricultural sector working in different fields including National Department of Agriculture, the Commercial Banking sector, lecturing Universities, lecturing Agricultural College and private consulting. Apart from his experience in the agricultural sector, Jannie has been involved in the construction sector for ten years as project manager.

After graduation at the University of the Free State, Jannie started his career with the Department of Agriculture as an agricultural economist. During this time he obtained his B.Sc. Agric. Hons degree at the University of Pretoria. In 1995 he moved to Bloemfontein where he joined Glen Agricultural College as lecturer for two years. During this time Jannie also lectured part time at the University of the Free State. He joined Absa bank in 1996 as an agricultural adviser in the Mpumalanga Province. Jannie was transferred to the Southern Cape in 1998 where he served as an agric economist and later relationship banker for large agri-business clients. During his career in the Bank he accumulated vast experience in the compilation of Business Plans, Financial analysis, Risk analysis and assessment of business plans and applications. In 1999 he was awarded CAIB (SA) (Certificated Associate of the Institute of Bankers) membership. Jannie left the Bank's service in 2003 to pursue other interests. He joined the OABS team in 2013.

Experience in the Agricultural sector include, amongst others, literature review, compilation of business plans and reports, data collection for various crops in terms of input costs, crop yields, water needs, etc., construction of typical farms, financial and diagnostic analysis of farming businesses and the management a portfolio of high profile agri-business clients on a day-to-day basis in order to mitigate risk for the Bank.

As part of OABS Development, Jannie gained experience on a wide spread of agricultural disciplines during his involvement with the company.
