RE: FEASIBILITY STUDY AND THE DEVELOPMENT OF A PROPOSED PROJECT PLAN FOR THE UTILISATION OF INVASIVE PLANT SPECIES AS ALTERNATIVE ENERGY SOURCE AT THE AFRISAM CEMENT PLANT (ULCO)

This letter serves to confirm that OABS was contracted to carry out the abovementioned study in November 2011 after successfully tendering for the project.

The work was carried out diligently in accordance with the terms contract and all the required deliverables were promptly met and complied with. Furthermore, OABS demonstrated its proven track record by displaying a high level of expertise and professionalism throughout the contract period; we therefore commend this company for its service delivery.

Regards,

Mr. Lorenzo Leray for Afrisam-ULCO
