EXPERIENCE

Marsha Cawood has been involved in the IT section of the Higher Education sector for 25+ years both in South Africa as well as abroad. As Business Analyst, she gained extensive experience in System Management, Project Management, Management Information, Business Intelligence, Data Warehousing, Institutional Research, Software Specification Development, Product Testing, User Training and User Support.

During her employment at the various HE Institutions, Marsha also served, under various portfolios, on a number of local as well as international committees and forums. Her tenure at ITS Holdings not only took her to work onsite at the various South African HE Institutions with ITS as their chosen ERP (Enterprise Resource Planning) system, but also abroad to Bolivia (South America), Ghana, Namibia, Botswana and Lesotho.

Marsha joined OABS (George office) on a permanent basis in 2013 and has been actively involved in the Western Cape Department of Agriculture Emerging Farmer Market Access program, desktop research, literature studies and market overviews for numerous projects. Her duties included the company website administration and PA to the Managing Director. Marsha's role has been changed as OABS Associate since October 2019.
