QUALIFICATIONS

2017 Intro to GIS, University of Stellenbosch
2017 Hons Agricultural Economics, University of Stellenbosch
2016 BCom Agricultural Economics, University of Stellenbosch

EXPERIENCE

Danél grew up in an agricultural economic career-driven family, where she developed an early interest and passion for industry. During her studies at Stellenbosch, her focus was on Agricultural economics, but she also had interests in Geography.

Danél started a part-time job at OABS Development, where she assisted with bookkeeping (specifically supplier invoice capturing). After completing her studies, she worked for OABS full-time for 3 years. During this time, she gained experience in the Agricultural sector that includes, amongst others, research, literature review, compilation of reports, field work, data capturing, data analysis and compiling business development plans.

In 2018, she started working as a drone pilot for OABS Drone Base. This included drone mapping and data analysis, using Geographical Information Systems.

Danél was involved in various successfully completed projects to a wide spectrum of clients, both local and abroad.

Danél moved to Sutherland at the end of 2019 and now continues to work for OABS as an associate.
